Introduction

M.Recht Accessories are Suppliers and Distributors of Fashion Accessories and Haberdashery to the Clothing and Textile Industry.

We would like to take this opportunity to provide your institution with a personalised student/teacher guide to what we can supply you and your students. This catalogue allows you to have a physical reference to the many relevant items your institution may require throughout the school year. This however, is only a small part of what our company can offer so please contact us or check our website for alternative items not displayed.

If you would like to place an order – there are many options. You can order over the phone, via fax or e-mail, or alternatively could order on our online wholesale and retail store. Students can also order through us privately, so they are welcome to use this catalogue for personal orders.

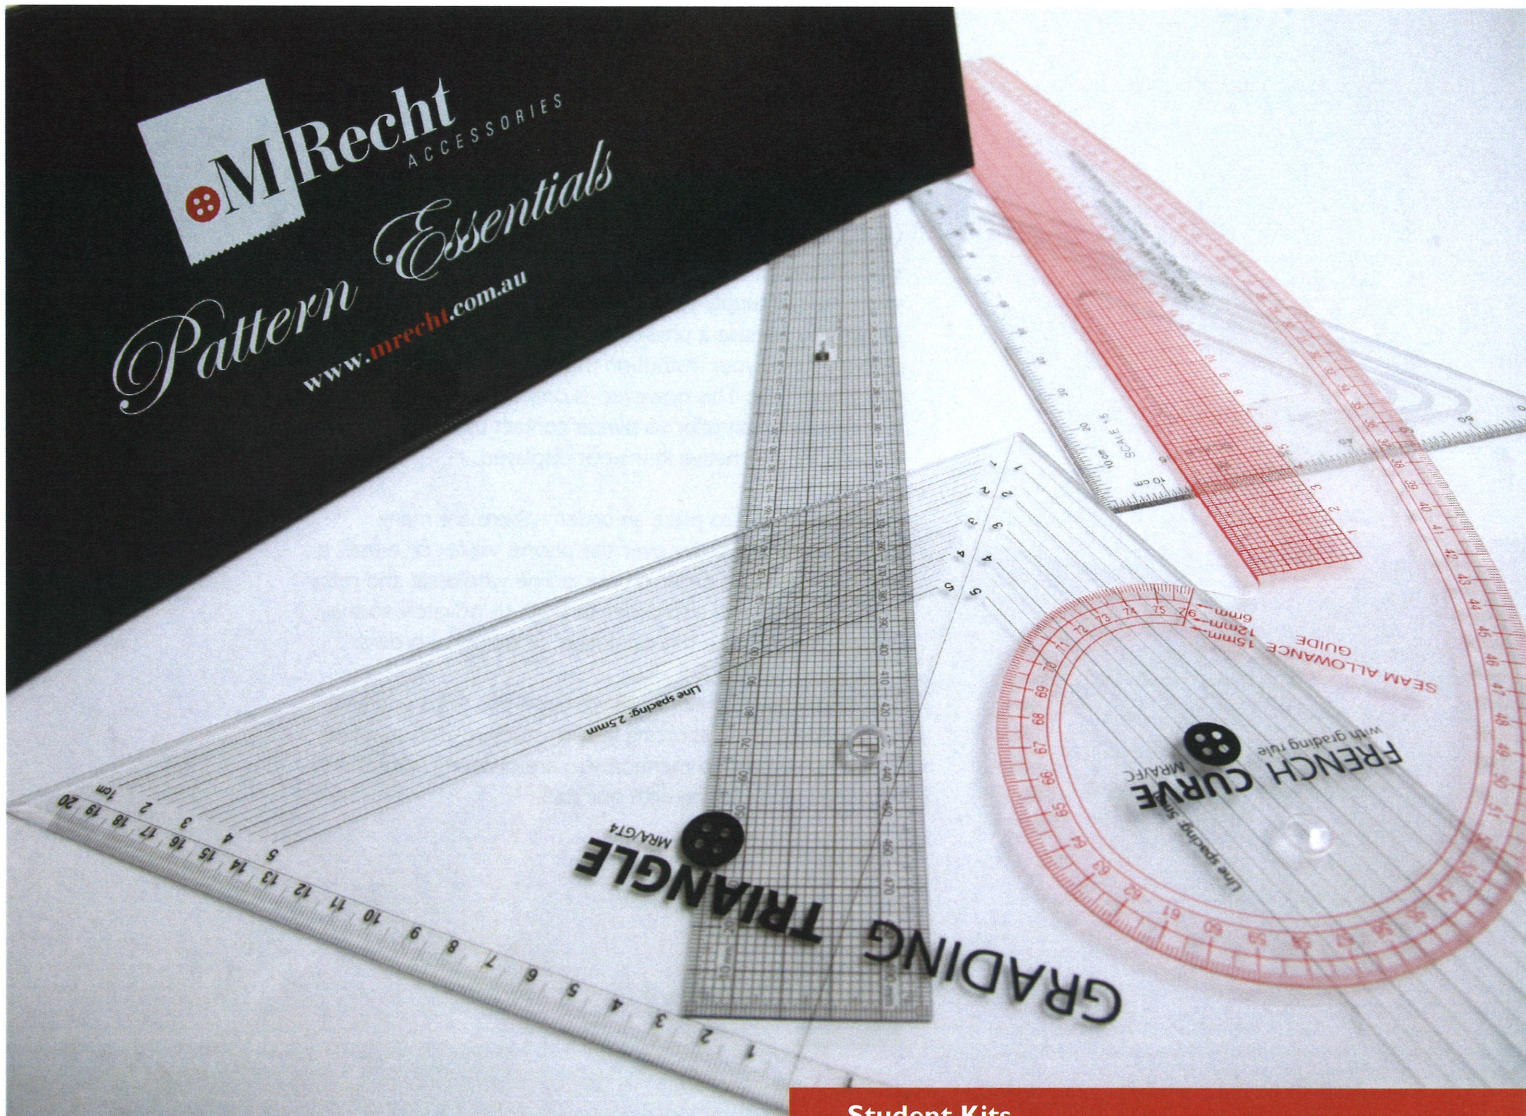

Thank you for your time and we hope this helps you and your students with sourcing fashion study related supplies! Please remember to mention you are ordering from this catalogue when liaising with our staff.

Regards,

Please note: As we are a wholesaler, minimum quantities may apply.

Threads

Spun Polyester Thread

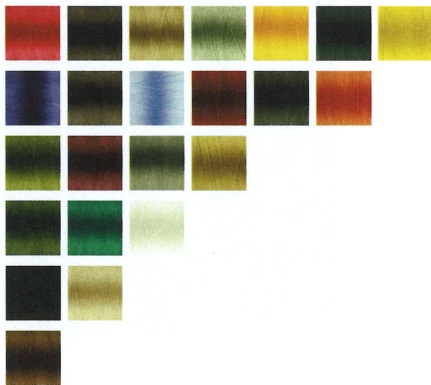

T2/40 is our standard most cost effective and popular spun polyester thread. It comes in a wide range of colours and is used for most general domestic, industrial and overlock sewing. 5,000 metre cones. 100 colours available.

Stitchmaster

120 Spun Polyester Thread
1000mts in White or Black

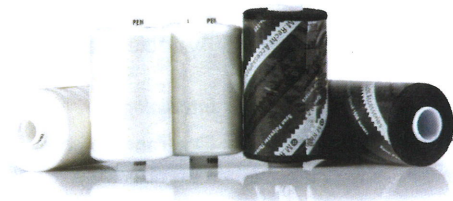

Bulk Polyester Thread

150D is our popular bulk polyester overlocking thread, commonly referred to as "fluffy". This thread is available on 15,000 metre cones in the same colour range as the T2/40's.

Note:

Heavier threads also available ex-stock for denim.
Heavier threads UV Resistant for outside stitching.

Stock Labels

We supply pre-made washing and size labels on a white matt fasco base. Size labels also come woven in black on white or white on black.

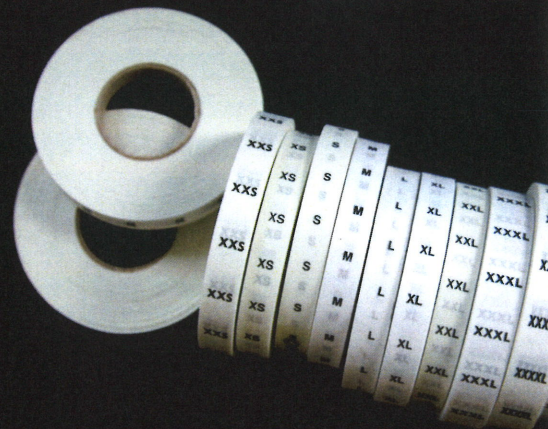

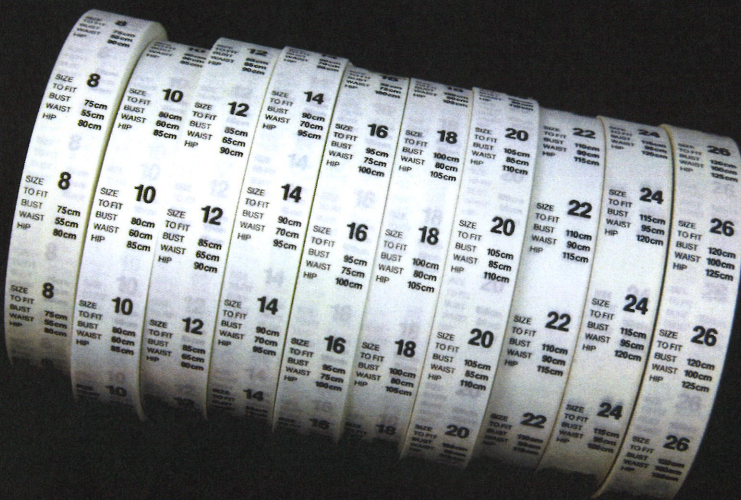

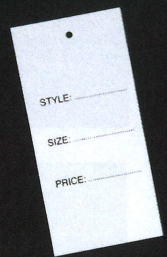

Each roll contains 2000 labels.

AFTER PURCHASE

Buckles

Available in various sizes, styles and finishes.

Zips & Zip Accessories

YKK Zips available in various sizes and colours.

RIRI Zips custom made to order.

Linings & Interlinings

Linings

Our range of linings are manufactured to the highest quality specifications to maintain consistency and achieve a natural feel.

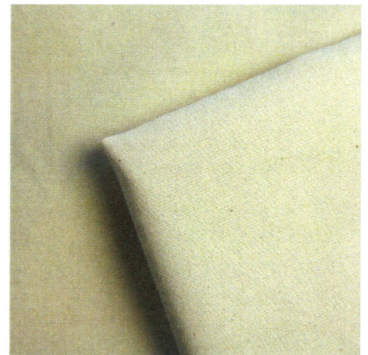

Available in a comprehensive range of colours.

Interlinings

Our range of interlinings has been developed over a number of years to cover all applications in the garment industry. High technology, research and development facilities have enabled us to provide interlinings of the highest quality and consistency.

All our interlinings are pre-shrunk, washable and dry-cleanable and are made from materials that give a natural feel to achieve the desired finish.

* Please note our Lining range is now limited to basic colours only.

Cords, Braids, Tapes & Elastic

Call us on 1300 941 941 or visit mrecht.com.au for our full range of products

Buttons

At M. Recht we offer a wide range of buttons, including:

- Covered Buttons
- Metal Buttons
- Shell Buttons
- Large Buttons for Jackets & Coats
- Shirt & Blouse Buttons
- Magnetic Buttons

Buttons come in various sizes and can be dyed to different colours.

Please contact the M. Recht Office for price inquiries.

Studs

Jean studs (ST777) are available in 14mm or 17mm in a range of finishes such as nickel, antique nickel, antique brass, tin, dark bronze, copper and black oxy.

We can also do your own logo (minimum quantity applies).

Minimum order is 50 pieces for stock lines.

These Studs are machine applied. Dies sold separately.

Stud Machine

This hand stud machine is great for professionally attaching eyelets, studs, rivets, burrs, etc.

Dies to fit this machine for attaching our wide range of products can be ordered separately. Phone our office for more details and prices.

Group Industry Talk

Our M.Recht team are also available to attend organised talks and presentations that cover the following areas:

- What we can offer students as a supplier
- Samples of stock to present to students
- What it's like to work in the industry
- Potential Employers in the industry
- Suggested makers/manufacturers in the industry (local)
- Alternative employment opportunities in the fashion industry

Other topics relevant to particular students are also available, such as Bridal Industry etc.

Our sales representatives also represent various fabric companies, covering a wide range of areas such as Haute Couture, Ready to Wear, Sportswear, Evening Wear, Bridal Wear, Costume and General Manufacturing.

Please also note, in the past we have been requested to visit institutions to take orders and make cash sales of stocked products directly to students and teachers. We are able to bring along specific items for sale at your request. Phone our office for more details.
